

# DKU 2026

## 19. INTERNATIONAL CONFERENCE

# CRISIS MANAGEMENT DAYS

Join us in 2026 at the international scientific and professional conference presenting current topics in the field of crisis management. Become part of our team, exchange knowledge, experiences, best practices, and network with local and international scientists and experts.

This year's conference will be held at the Velika Gorica Public Open University and the University of Applied Sciences Velika Gorica in Velika Gorica, on June 2<sup>nd</sup> and 3<sup>rd</sup>, 2026.

## THEMATIC AREAS

1. Climate and global change (food, health, waste, environment, and security)
2. Climate change and its impact on ecosystems
3. Sustainability (tourism, transport, culture, corporations, education)
4. Artificial Intelligence and Digital Tools in Business Crisis Management
5. Public health aspects of crises and local community preparedness
6. Local community resilience and disaster risk reduction
7. Security and protection (national security, corporate and information security, protection of critical infrastructure)
8. International and EU security (modern migration, professionalisation of armed forces, future of European defence)
9. Communication and innovative technologies for crisis management
10. The role of the media in crises
11. Crisis analysis and lessons learned
12. Scientific research and presentations of crisis prevention and response projects

JUNE 2<sup>nd</sup> AND 3<sup>rd</sup> 2026
